ABOUT US
Welcome to Ontario’s newest musical offering, the Ontario Pops Orchestra!
The Ontario Pops Orchestra is a Canadian orchestra specializing in light classical and popular music. Music Director and conductor Maestro Carlos Bastidas leads this group in the performance of audience favorites.
We are dedicated to light classical and popular music. The Orchestra hopes to continue its growth by providing more performance and development opportunities for musicians, and by increasing engagement with communities across Ontario.
The Ontario Pops seeks to enrich the lives of local musicians through professional leadership, performance opportunities and carefully-selected repertoire, fostering musicianship in a positive and supportive environment. By sharing popular, light classical, Broadway, film, and other symphonic music with Ontario communities, we hope to engage a large and diverse audience with high-quality music of broad, inspirational appeal, and educational value.
